C. AND O.'S LATEST.

In Less Than Two Hours It Changes Location of a Depot Building.

It's hard to beat the C. and O. Railway in up-to-date movements.

The latest lightning change took place Monday of this week at California.

Within an hour and fifty minutes the Depot at that place, which has formerly stood a third of a mile out of town, was moved into the village, and made ready for business.

The trouble was that the town had grown the wrong way.

A gang of twenty men pushed the station onto the railroad track, an engine was hitched to it, and, after having greased the rails good, the Depot was easily and quickly slid into town.

A WONDERFUL CURE O.

A Prominent Virginia Editor Given Up, But Was Brought Back to Health by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

From the Times, Hillsville, Va.

I suffered with diarrhoea for a long time and thought I was past being cured. I spent much time and money and suffered much misery that I had almost decided to give up all hopes of recovery and await result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble, and I wish to say further to my readers and fellow sufferers that I am a hale and hearty man to-day and feel as well as I ever did in my life.—O.
